FUTURE PLANS and ORDERING INFORMATION

We are pleased to offer six new Siberian Iris Introductions in 2023. We are offering both spring and late summer shipping this year as well as a special shipping date for Pardancandas.

Thank you to all our customers and their robust interest in the many varieties that we offered for the last time in 2022.

Please visit our website where you can see multiple photos of many irises including clump shots and color variations. Please note that the website does not offer ordering on-line. It is merely intended as a photo companion to this catalog, where you can find views of the clump habits of plants as well as the flowers. Please use the ORDER FORM when ordering.

Unless noted as "potted", all plants are freshly dug and **SHIPPED BARE ROOT**. These plants are from lined-out divisions. For siberians we guarantee to send a plant with at least three fans, though often they are larger. The potted plants will arrive in 2½ inch pots.

SHIPPING DATES: Please circle on the Order Form when you want shipment. There are three dates for Spring (April 10, 17, 24) and there are three dates for Late Summer (August 21, September 5, September 18). Those of you who live in the colder areas might want to plant in Spring or August to establish plants before the ground freezes (as we do). Those of you in warmer areas might want to put off planting until later in the summer when it is cooler. There is a **SPECIAL DATE** for Pardancandas either July 3 or July 10 depending on the season. This date will be our choice. Unfortunately we have also had to impose a \$15 surcharge on Pardancanda orders imposed by the USPS on the boxes we use to ship.

All shipping will be by Priority Mail. Please add \$11 for 1-5 plants, \$12 for 6-10 plants, \$13 for 11-15 plants, and \$15 for over 15 plants. (MA residents must add 6.25% sales tax.) We will no longer be shipping overseas and will only accept foreign orders from Canada. Canadian customers - please contact us about additional charges for postage and phytosanitary certificate.

Please note, we **do not take credit cards** for payment so we cannot take orders by e-mail or phone, please send a check or money order. If you wish to contact us with any questions, send us e-mail at: jpwflowers@aol.com or call us at 978-371-0173. We are rarely in the house during the day and will most likely answer calls after dark.
