ORDERING INFORMATION

Thank you to all our customers.

We are happy to offer six new Siberian Iris Introductions as well as one new Iris species, *Iris sintenisii*. (See p.7 under SPURIAE)

Visit our website where you can see multiple photos of many irises including clump shots and color variations. Note that the website does not offer ordering on-line. It is merely intended as a photo companion to this catalog, where you can find views of the clump habits of plants as well as the flowers. We know this is rather old-fashioned, sorry for the inconvenience. Please use the ORDER FORM when ordering.

Unless noted as "potted", all plants are freshly dug and **SHIPPED BARE ROOT**. These plants are from lined-out divisions. For Siberians we guarantee to send a plant with at least three fans, though often they are larger. They must be taken care of as soon as they arrive. The potted plants will arrive in 2½ inch pots.

PLEASE NOTE: We are limiting ordering to 3 of any one iris cultivar. In addition, our selection of *Chinenses* Iris is very limited for 2026. We hope to have more in 2027.

SHIPPING DATES: Please circle on the Order Form when you want shipment. There are three dates for Spring (April 13, 20, 27) and there are three dates for Late Summer (August 17, August 31, September 14). Those of you who live in the colder areas might want to plant in April or August to establish plants before the ground freezes (as we do). Those of you in warmer areas might want to put off planting until later in the summer when it is cooler. If you order plants for more than one shipping date, please add separate postage for each.

There is a SPECIAL DATE for shipping Pardancandas – June 15-22.

All shipping will be by Priority Mail. We are sorry to have to raise the shipping prices but the costs keep going up. Add \$14 for 1-5 plants, \$15 for 6-10 plants, \$16 for 11-15 plants, and \$17 for over 15 plants. (MA residents must add 6.25% sales tax.) We will no longer be shipping overseas and will only accept foreign orders from Canada. Canadian customers - contact us about additional charges for postage and phytosanitary certificate.

Note, we **do not take credit cards** for payment so we cannot take orders by e-mail or phone, please send a check or money order. If you wish to contact us with any questions, send us e-mail at: JPWflowers@aol.com or call us at 978-371-0173. We are rarely in the house during the day and will most likely answer calls after dark.

You can see photos of the irises in this
